Playing a quick frame or two of pool against your bird is always a lose/lose situation, right? If you win, she'll only complain that you were being far too serious about it and that basically, by not really giving her a chance, the whole thing was 'not fair'. Let her win, on the other hand, and she'll be skipping around taunting you for the rest of the week, making sure that all your mates, and anyone else within earshot, are made perfectly aware of your ignominious defeat. The answer? Go out with a bird like Laura. Admittedly, she's never lost a frame in her life, but that's clearly because she gets too easily distracted and, thanks to all the male attention she unfailingly attracts, horny. And once she starts putting on her floor show, questions like "Am I spots or stripes again?" seem strangely irrelevant. Ahem, anyone want her number? **The Ed.** ♣

HOUSE PROUD

I just want to thank *Club* for another fantastic year. The beauty and glamour you provide keeps me sane. I'd especially like to thank Stella for such a gorgeous DVD. I like it very much and she has my vote again as the ultimate *Club* babe, but also thanks to all the other girls for showing off your gorgeous sexy bodies.

We're only a few months in but 2006 is already looking very good for the best men's magazine. Instead of Playboy Mansion you should have Club International House with all your beautiful girls.

James, Leicester

That's a great idea, and one we've suggested to the management on several occasions. Apparently the planning permission is taking longer that usual. Or at least that's what they keep telling us!

SAM-PLY THE BEST

A very sexy thing happened to me recently. My older sister got married and had invited a lot of her old friends to the wedding. One of them was a girl called Samantha, who now lived in Canada but flew over especially for the wedding. When I was younger Samantha was always staying round our house and I developed a bit of a crush on her. She has long blonde hair and a pair of boobs and arse that you could eat. Many a time, when she was staying, I would nearly get caught wanking myself off while peaking at her through doors. She was always leaving bedroom doors and bathroom doors open and wearing very loose robes, with no bra on, so just a bit of nipple would slip out. And it often did. This always had me running off to pull my frustration out on my dick.

Anyway, she arrived in England a couple of days before the wedding and my sister had arranged for me to put her up in my flat. When I picked her up at the airport, although I hadn't seen her for almost 15 years I recognised her straightaway. She'd not lost her stunning looks or her great figure. She hugged me very tight and started to nudge her lovely boobs against me. Also the kiss had been just a quick peck but was wet and lasting, more like a sucking.

Back at my place she asked if she could freshen up and I told her there was a bathroom with a shower at the end of the hall. After she had been in the shower for about ten minutes I heard her call for me. When I answered she said, "Can you give me a towel, I forgot to pack my own one."

Thinking nothing of it, after all I had seen her tease me for years, I went and fetched a towel. Just as I came back I could see an opening in the bathroom door. As I peaked through I could see Samantha soaping her lovely peachy breasts and rosy nipples. It was making me so fucking horny my cock was bursting against my jeans.

I called out to let Samantha know I was leaving the towel and before I could finish she said, "hold on!"

The next thing her hand appeared at the door, searching for the towel. When she finally grabbed it she said, "Please come in here and help me dry off."

When she said this she giggled and let the door swing wide open. I just stood there looking at her lovely shaped arse and her tanned body with bra and panty lines showing.

"Come in here, there's something

LEGS-CELLENT!

I've just put down 35.2 and I feel as if that particular issue was made specifically for me. The reason being is that when it comes to preferences I'm a bit of a leg man and my needs were more than catered for in that issue.

First of all you had Jana on the cover wearing her fuck-me boots. I don't think I'm alone in admitting just how horny a girl in those boots can make a guy. Then there was Linda, a beauty I'd never seen before, presented in a pair of tights accentuating her lovely pins and fantastic arse. Stella was on form as usual and her sexy black high heels with ankle straps didn't go unnoticed. Evelyn in her black fishnets was a revelation, that shot of her from behind had me dreaming of ripping those fishnets open and burying my head between her legs. Mackenzie showed off her glorious pins in a pair of hot leather boots and then your lesbians Sam and Simone in their stockings put more strain on my already aching cock. Even the girls in your Peaches and Talkin' Blue stories were wearing fishnet tights and fuck me boots respectively.

I can't thank you enough for the effect that issue had on me with all the fabulous leg action and I'm begging to see another leg special soon.

Chris, Herts.

GIRLS WITH POTENTIAL

To relieve the boredom at work, I thought I'd knock up a list of 10 babes I'd love to see appearing in *Club*. I know the chances of any of them doing it are slim but we can all live in hope, can't we?

9. CLAIRE KING (BAD GIRLS / EMMERDALE)
10. KIMBERLEY WALSH (GIRLS ALOUD)

I've wanted to do for years, David. Would you like to squirt your spunk all over me?"

She then proceeded to pull my fly down allowing my cock to spring out, bouncing like a springboard at the local swimming pool.

"What a lovely cock you have," she commented. "Sit on the end of the bath and wank yourself off, I want to watch."

I sat on the end of the bath as she turned the water on and continued soaping herself down. I could see her biting her lip and I knew that I wouldn't last too long. She said, "once you have shot your load over me and I see your cum spurting, then I'm going to lick it all up. Then I'm going to show you a thing or two before sucking you back to hardness. Then you can fuck me hard up my arse."

"She pulled my head against her and the juices ran down my face. I love to eat pussy, but this was one horny bitch"

Just as she said that my cock needed a quick banging, so I gave it a thumping and if it was a shower she wanted, then that's what she got! It came out like I was doing a piss, long spurts of creamy jizz one after the other. Samantha watched the first couple of squirts with glee then quickly dropped her head, grabbed my bollocks with one hand and took my erupting helmet in her mouth, sucking for all she was worth.

After she had done that, she stood up, rubbing her clit frantically and pulling my head, forcing it against her pussy then away again. Then my mouth was placed over her cunt as she sat on the side of the bath, pulling my head and grinding her clit and juices over my face.

"Fuck me! Lick it!" Samantha screamed.

This went on for several minutes, then she did something that I had never seen before, she started squirting cum out of her pussy. It was so

It's quite apt that we find the alluringly lovely Laura showing off her best assets while also negotiating a game of pool. Why, you may ask? Because the game of pool is exactly what this beauty compares her sex life to. A strange comparison indeed, so if you don't mind we'll let her do the explaining…

"I see all the balls on a pool table as sexual experiences and each time I pot one, that represents a particular type of intercourse. For example, a simple pot could be likened to an everyday shag. Then there are the trick shots. Getting a ball in from a difficult angle, that's like trying out something new or more exhilarating like bum sex or fucking in public. Getting two balls down at the same time speaks for itself, I love having two men at the same time. Potting one of your opponent's balls is just a crap shag, we all have them from time to time, and then obviously the black ball represents the ultimate sexual experience. The only difference is that in my sex life I don't mind if I pot the black early!"

TWO'S COMPANY...

I buy your magazine every month without fail and my favourite bit has to be the lesbian photos. You've has some fantastic pairings in the last year – Tera and Aria, Sandra and Peaches, and of course Stella who, like a good wine, goes well with just about anybody. But the pair that really did it for me were Tasha and Erine in 35.1. I thought their photographs were particularly classy. But it also got me thinking about something I haven't seen in your mag for ages, and that's a female threesome. I love it when all you can see is a tangle of bodies as a trio of gorgeous girls tuck in on each other. My ideal combination would be Nadia, Stella and Chanta. To see them piled on a bed and tending to each other's clits would be fantastic. I reckon if you could pull that threesome off, I'd be pulling myself off for the rest of the year!

fucking horny I just opened my mouth and drank as much as I could. She pulled my head against her and the juices ran down my face. I love to eat pussy, but this was one horny bitch.

My cock was soon hard again. Samantha led me to the bedroom, reached into her bag and smothered my dick with lubricant. Pulling back my foreskin she said how she used to watch me wanking when I was younger. In fact she knew if she flashed enough titty then I would go in the bedroom and lock the door. The horny bitch said she would slip her hands in her pants and frig her pussy and watch me through the keyhole.

Samantha then bent over and reached in her bag to pull out a purple dildo demanding I fuck her arse and play with her clit.

First I tried to ease a finger up her bum hole, but she said it was fine and to just sink my cock in up to my balls! And, sure enough, it sank right in while she was pushing her arse back to meet my thrusts. I banged away, feeling her tight bum hole pump my prick.

She was loving it. I was loving it. Then I strummed her clit and she went right off. I could feel her juices squirting on my balls, she removed my hand and told me to squeeze her nipples hard. This I done and she fucked her pussy with the dildo. I pummelled her bum hole. It was the best fucking sex ever, what a ride! She knew I was away to come and quickly turned around and said, "spunk on my face."

I just managed to place her face in the right direction as she opened her mouth to catch the long warm milky white spurts of cum on the tip of her tongue. We lay there all night fucking and sucking. In the morning I awoke with her riding my face.

She had to go back to Canada after the wedding but will be coming over again in the summer. I can't wait to show her this letter and if you publish it I will write to her and tell her that I have something she can suck my cock off to as I read!
Dave, Kent ♣

KAZ HAS IT ALL!

Many thanks for Vol 34.13, yet another stonking issue of the best girlie mag around. The girl who really caught my eye and won most of my cock cream was Karen. With her teasing 'come fuck me' smile, cute Karen looks a right filthy slut. Tugging my hard throbbing cock over sweet Karen's pictures had me imagining this hot blonde babe kneeling in front of me, playing with my knob. I dream of Karen running her warm tongue over my shaft and balls then taking my pulsing dick into her mouth and slowly wanking and sucking me off until my hot cock explodes and fires a torrent of hot, white jizz all over her pretty face and pert little tits.

I hope to see much more of sexy Karen in future editions of *Club*. Maybe you could really vamp her up – she'd look great in some black stockings and a black PVC mini skirt.

MY OH MY, MIA!

The job's a good 'un, at least that's what Mia reckons...

PHOTOS: RUDEBOY

Here's a shining example of one of those girls who looks good in anything, but twice as good in nothing. Mia's got the sort of body that keeps gyms in business and we reckon she could have made it as a fashion model, prancing up and down the world's catwalks for ludicrous fees, if only she wasn't so obsessed with sex!

"My first modelling job was for some up-and-coming fashion designer," Mia revealed. "They were nice dresses I had to wear and it was easy work, but far too boring for me. I wanted to be more than a glorified clothes horse and maybe get a bit of dick in the bargain so a career as a porn model was the natural progression. And I don't regret it at all. So far I've been all over the world, worked with loads of great photographers and managed to notch up several satisfying marks on my bedpost. There's not many jobs where work and play are rolled into one and I have to admit I sometimes forget I'm not being filmed when I fuck a guy, but that doesn't stop me giving a great performance..." ♣

THE NAKED HISTORIAN

PART 3: THE ATLANTEANS

ANYONE WITH A TV KNOWS THAT THE ROMANS INVENTED CENTRAL HEATING, AQUEDUCTS AND BRAZILIAN WAXES, BUT WHERE THE FUCK DID EVERYTHING ELSE COME FROM? NIGEL PULLMAN-CARRIAGE INVESTIGATES...

Hello, I'm Nigel Pullman-Carriage, The Naked Historian. Welcome to part three of my friendly, meanderingly matey but painfully intelligent expose of "real" history. And where do we turn this week for our voyage into more secret histories? We turn to histories that are hushed and almost the stuff of legend, having fallen by the wayside, been trampled under the marching feet of the Roman Empire and sodomised by the Greeks.

Yes, let the BBC history shower have their "popular" handsome history. There's more plagiarism going on amongst that lot than in a Harry Potter book! Who needs it when you can say: Hello, I'm Nigel Pullman-Carriage, The Naked Historian. Let's ask the question: What did the Atlanteans do for us?

ALL GREEK TO ME

When I say "Atlantis" to people, most respond with: "It's just a myth, isn't it?" And do you know why? It's because modern educators – with so-called "degrees" - debunk Atlantis simply because they're incapable of teaching anything that can't be spoon-fed from a text book and comes with a selection of full-colour slides, a map and a BBC mini-series on DVD. That's why.

However, if you were to bother to think outside of your very limited box, you'd see one fact straight away: the Greek philosopher Plato wrote about Atlantis in two of his dialogues and, as even fans of Dan Brown's own particular take on "facts" know, Plato was famous for being a brilliant philosopher... and not just some fucking beardy liar.

> **"THE GREAT PLAYS OF ATLANTIS ENDED, WITH THE AVERAGE ATLANTEAN LOOKING FOR HIS TITILLATION IN THE FORM OF SO-CALLED REALITY THEATRE"**

Believed to have lain near the Straits of Gibraltar, Atlantis was a circular, construction of alternating rings of sea and land, with a palace slap-band in the centre. Here in the centre, ancient javelins were hurled in a competition of accuracy, might and intellect, teams competing against teams, with the winners being offered the chance to gamble for the ultimate reward. If they succeeded in their challenge, it was decreed that a speedboat or caravan would be theirs. But if they failed, it would be time to "Oculas prisus gonas" or, translated from ancient Atlantean, "See what you would have won". This ancient event, long believed lost, has in fact been silently passed down through countless eons. Etched indelibly in our subconscious, an ancient memory that we keep alive to this day... slowly evolving into the TV hit we know as... *Catchphrase*!

SEX AND THE CITY

It may seem strange to even consider now, but before the rise of the Atlantean Civilisation, nobody had sex. This was largely due to the fact that nobody had discovered alcohol and, as my thesis discusses in some length, it was this and not some Ice Age malarkey that nearly saw mankind wiped from the face of the planet. Fortunately, for us – as the ancient chronicles of Plato (and that big stone I unearthed during my gap year in Turkey) go to prove – Poseidon gave a handful (he was a Titan) of mortal women the most splitting night of their lives and sired sons. The eldest had a funny birthmark on his head, like Boris Yeltsin, in the shape of a book of maps. And so it was that Poseidon named him Atlas, and it was his head that the Atlantean's then used to navigate the globe, teaching other races how to have sex and even inventing a form of peach schnapps along the way. The continued existence of mankind was assured!

Being descended from a God, the Atlantean Civilisation grew quickly, and whilst their nearest neighbours would bang sticks together to beat out a primitive, yet pleasing, rhythm with which to sacrifice somebody too, the Atlanteans trained members of a pale Incan pygmy tribe to retain and perfectly perform thousands of songs wherever they went. Simple, vegetarian creatures, the Inca pygmies, or iPygs as they became known, would receive a single apple every day as payment for their labour. The Apple iPyg was thus created... Let's face it, the Egyptians or someone inventing writing is fucking nothing compared to this A-material!

I'M AN ATLANTEAN; GET ME OUTTA HERE!

But whilst constant shagging, drinking and darts may be all very well for an Essex market town, the great Atlanteans soon became bored with their everyday existence. And, unfortunately, as with every listless civilisation in the last throes of its days upon the planet, the Atlanteans invented a concept all too familiar: dumbing-down. First, the great plays of Atlantis ended, with the average Atlantean looking for his titillation in the form of so-called Reality Theatre, wherein the dregs of Atlantean society would be locked inside a wall-less domicile for weeks on end, forced to perform pointless tasks, spout the mundane and parade their own stupidity until, one by one, the increasingly fat and urine-saturated audience would hold secret ballots and vote them out until only one remained. The end was nigh. Soon, with intelligence decreased to frightening levels, the Atlanteans sense of invention led to the creation of something fresh and terrible: Crime. Previously, law and peace had been the way of the world, but now Atlantean turned on fellow Atlantean... just to steal his fucking iPyg. Their creative prowess, once the making of them, was now to figuratively sink them... and leave a terrible legacy for the rest of the world for thousands of years to come. The floodgates were truly open...

FIN

So when the end finally came for the kingdom of Atlantis how was its destruction brought? According to Plato, it was Poseidon, angered at the greed and stupidity of the Atlanteans, who sank the island beneath the waves. But it wasn't. That's rubbish. It was in fact a metaphorical wave... a wave of apathy. One by one, the Atlanteans slumped into imbecility until one day, when the mains needed fixing, they forgot that they needed to turn off the stopcock first... ♣

NATURE'S CALLING

For Daniella that means a spot of self-pleasure!

PHOTOS: LOBO PRESS

Since spring is now upon us, fans of the great outdoors will no doubt be returning to the countryside in droves and embracing the beauty that this particular season brings. One such beauty being Daniella. She usually spends the darker months cooped up indoors, but come the first whiff of sunshine she's out there soaking up the vitamin D and a bit more…

"Spring time puts me in such a good mood," Daniella enthused. "I love taking a stroll in the fresh air, it unclutters my mind and gets me incredibly horny. I get those back to nature instincts and urges to pleasure myself. Seriously, I could be walking through a park and suddenly feel the need for a frig. I'll take cover between some trees, hitch up my skirt, pull my knickers aside and get to the job at hand. The thrill of being discovered with my fingers up my twat gives my climaxes that added edge. And since I tend to moan loudly when I come, the chances of being caught in the act are high."

So next time you hear some strange noises in the undergrowth, don't put them down as furry little creatures, it might be Daniella having a strum! ♣

YOUR MONTHLY LAWROSCOPE

WITH COMMANDER ROGER BUMMOCK OF THE MET'S ARMED RESPONSE UNIT

ARIES
The Potential Ram-Raider
(Mar 21 – Apr 20)

A member of the public has probably been acting suspiciously lately. It could be that they wear a tea-towel round their bonce, or that you didn't much care for the way they looked at you. Whatever the reason, they are making you antsy. This cannot go on. It's time to ask yourself "Who's armed – me or him?" So call your team together and make arrangements to take this person out. 11 bullets to the head will concentrate this potential troublemaker's mind – even if it is wrapped in a towel.

TAURUS
The "Odd-looking" Car You Dynamited With The Driver Inside Just In Case
(Apr 21- May 21)

When emotions become heated there is a time to speak, a time to be silent, and a time to act. As a member of an Armed Response Unit you can help people sort out their differences this month, so a family argument which seems about to escalate can be nipped in the bud early by neutralising the participants – permanently.

GEMINI
The Bloke You Could Have Sworn Looked Similar To Someone Else
(May 22 - June 21)

You may be feeling overworked this month, buried in paperwork on the fatal shootings you have overseen. A trip to the mortuary to remind yourself of what you have achieved in real terms may be just the thing you need to realise you are making a difference.

CANCER
What No-one Who Gets On Your Tits Is Going To Die Of
(June 22 – July 23)

An ailing elderly relative who is suffering may move you with their tragic plight, making you feel helpless, since the doctors seem able to do nothing and euthanasia is illegal. But taking out a potential threat to the public is not, so accidentally-on-purpose mistaking her catheter for a bottle of nitro will provide you with the perfect excuse for a cluster of merciful headshots.

LEO
The Dodgy Informant
(July 24 – Aug 23)

The planet Mars is currently circling the sun in a suspicious manner and you may feel frustrated by your team's inability to pump a few rounds into the big dangerous out-of-range spherical cunt. Later in the month it will enter the House of Neptune. Be there waiting when it does, and you might get the drop on it.

VIRGO
One Of The Airlines Suspicious-Looking People Arrive On
(Aug 24 – Sept 23)

An evening out with your colleagues may turn nasty this month when one of the team makes an ambiguous remark which, taken out of context, might be construed as a veiled threat. Now is the time to exercise whatever self-restraint you have, on account of your mates are all tooled up too.

LIBRA
The Female Suspect With The Foreign Name
(Sept 24-Oct 23)

The introduction to the home of a new TV-advertised disinfectant which promises to "neutralise" bacteriums seems to challenge your professional usefulness and encroach on your turf. For the first time in your life, it may appear to you as though you have competition. But don't be misled. There is no such country as Bacteria, and even if there was, you'd still have exclusive rights to nail anyone from it the moment they set foot on British soil.

EVENIN' STARS, ALL!

SCORPIO
The Cop Who Ratted Out His Mates In That Al Pacino Film
(Oct 24 – Nov 22)

Your body count is about to go platinum and promotion may be imminent. Yet, oddly, the prospect of taking on any kind of responsibility unnerves you and you will almost certainly resolve to turn the offer down.

SAGITTARIUS
The Man Who Might Well Have A Crossbow In His Briefcase
(Nov 23 – Dec 21)

The peculiar behaviour of a much younger family member may disturb you this month when they spread chocolate pudding all over their face and defecate in

A GROSSARY OF SEXUAL TERMINOLOGY...

Some sex terminology and erotic practices with which one or two of our readers may not already be familiar. So if you don't want to appear naïve and lame on lads' nights out, best bone up.

MUDSLIDING
Crudity used to describe the ease with which the penis slithers into a particularly well-plumbed female arsepipe. As in "Hey, guys! – I'm mudsliding! Whee!"

RECEDING BIKINI LINE
Female pattern baldness affecting the vagina. Common in women over 55.

CUNT MEGALOMANIA
Delusional state in which some smug bitch seems to imagine she is the best pussy out there.

INTER-LABIAL WOLF WHISTLING
When a bloke peers into a female's vagina for the first time and expresses awe after the fashion of lustful building site workers.

THE AREOLE BOREALIS
Strange lights which seem to dance around a big-boobed babe's nipples, most usually appearing in the course of consensual electricity play involving one or more car batteries.

PENILE DWARFISM
Medical term for the condition most commonly called "having a tiny cock".

BLOWJOB PALSY
The proper medical name for the

their nappies, causing you to distrust them. Sudden movements with a rattle or a spinning-top unnerve you, but your best move is keep the safety on. Taking out the baby is liable to lead to friction between you and your spouse.

CAPRICORN

The Scapegoat

(Dec 22-Jan20)

A hideous odour in the trunk of your car leads to the distressing discovery that you've forgotten to call a kill in to HQ because you were in a hurry. Don't let the prospect of an enquiry upset you. There's unlikely to be one.

AQUARIUS

The Bomb In The Pail Of Water

(Jan 21 - Feb 19)

Your gun is acting suspiciously, but confiding your fears to a colleague on the Unit is liable to do you more harm than good. Hide your mental problems as best you can until you reach retirement age.

PISCES

The Fish-Eye Surveillance Lens

(Feb 20 – Mar 20)

You may finally reach burn-out at work this month. Violent mood swings and depression are a sign that you have lost all faith in your fellow human beings. They all seem to be behaving oddly. It's not something you can put your finger on. But, luckily, a trigger is. So get really fucking seriously tooled up and remove any and all obstacles to your happiness.

My tiny cock!

SELF-ABUSE FEARS

Dear Aspen,

I've just turned 18 so that I could write in to you, and still know very little about the human sex drive. Mine is incredibly strong but I've heard that it gets less powerful as you get older. My question to you is will I ever stop masturbating?

Robert

ASPEN SAYS!

Dear Robert,

I very much doubt it. You certainly didn't break off while you were writing to me. This fucking envelope's half-full of your spunk. I have marked it "Return To Sender", so let's just see what your Mum has to say.

PS. Hoy! Didn't you write in last month asking how to stop you and your mate's cocks touching when you double-vaginal'd your wife? His name was Robert too and the letter was all sticky. Just wondered.

I'M A DULLARD

Dear Aspen,

My boyfriend is a loving, caring man, but he's much older and has a past history full of sex and drugs. When I listen to him brag about all the stuff he's done (and the things he's contracted) I feel like I must be such a bore to him! He says he has slept with over 200,000 women, and done coke, laudanum, crack, smack and gak, not to mention blokes and trannies. He is my first boyfriend, and the thought of him doing all those things and people makes me feel so small and uninteresting. He says he loves me, but I can't help noticing that he's always glancing around at other women, and sometimes he just strolls off after them, not returning home for a day or more.

What can I do to make myself as interesting as him? I'm so scared I'll lose him to Woman Number 200,002.

Insecure Girl

ASPEN SAYS!

Dear Insecure Girl,

Well I think you ought to be a little more trusting on this one – he says he loves you for what you are (however dull), so why do you seem reluctant to take his word? So what if he wanders off for days at a time – if he's slept with that many women he's probably quite old, and I think you'll find wandering off like that is pretty common among the elderly.

MANHOOD TOO SMALL?

Dear Aspen,

I've been out on a few dates over the years, but I've always been afraid to take the relationship onto a sexual level because, quite frankly, my manhood is tiny and I don't think I could satisfy a woman with it. I tried to measure it once, but in all honesty, I gave up, coming to the conclusion that it was actually an 'inny-outy' which, rather than sticking out from my body, pointed deep into my groin region. On top of that, I'm also embarrassed to get intimate with women because I possess quite a noticeable pair of 'man breasts' (34C, in fact), which, no mater how hard I exercise, I don't seem to be able to get rid off. If that weren't enough, I've got a rather high voice, and I harbour secret desires to dress up in woman's clothing. Can you help?

Reg.

PS: Oh, and did I mention the regular bleeding…?

ASPEN SAYS!

Dear Reg,

Hmm, I'm not sure I can help here. An 'inny-outy' manhood, breasts and a high voice? It's a bit of a mystery, isn't it? Still, you might want to try ringing my "I've got a tiny cock" helpline – it's only £1.70 a minute, and there's some nice music at the beginning which might make you feel better.

WISHFUL THINKING

These two know what's on each other's minds. Can you guess what it is?

PHOTOS: SCOTT ST. JAMES

There are friends and then there are friends. Some are closer than others. And as you can see, here are two babes, Linda and Bunny whose friendship is closer than most. If you're going to be that close with someone you may as well make sure they're as gorgeous and as eager for beaver as you are, so these two seem made for each other.

"Linda knows me inside out," Bunny confessed. "She knows what what turns me on and what I like best in bed."

"It's not exactly difficult," Linda says. "You're very easy to please. Just the slightest suggestion of anything naughty gets you aroused. I don't think I've ever been with someone who gets wet so quickly."

"I'm not like that for every girl, you know. It's just that you have this annoying knack of making me horny. It's almost as if you have this strange telepathic power to get me in the mood for sex. Whenever I'm alone with you my body gets all these strange urges and I can't hold back. I have to have you."

Some might say it's ESP, others would put it down to simple sexual attraction. And well justified, we might add. ♣

Stereo of Filth & Love!

Brought to you by Club's No. 1 music madman DJ Radio Jamaica

Yeah Yeah Yeahs

Show Your Bones (Dress Up/Fiction)

The Posh'n'Becks of New York punk have to be Yeah Yeah Yeahs' Karen O sat on the face of Liars' Angus Andrew, but this isn't just someone sitting on your face; it's much better than that. Harder than your first erection, it'll hurt your ears like Mike Tyson. But in a really good way.

Robert Love

Ghost Flight (One Little Indian)

Possibly Bobby Love to his mates, Robert is the lead singer of Alabama 3 who did that quality track 'Ain't Goin' To Goa' donkeys years ago. Going solo, Love's gone a bit jazzy but it's the way he does it that makes you want to go out on the piss with him. He doesn't just go down Ronnie Scotts and grab a few old timers short of a bob or two. No, he goes down the Raymond Revue Bar and recruits resident jazz pianist Clifford Slapper! Class.

Secret Machines

Ten Silver Drops (679 Recordings)

It's all looking bloody marvellous for Secret Machines. Last year the Texas threesome supported Oasis (and avoided getting slagged off by the Gallaghers) and more recently hit the road with Foo Fighters. Their second album is full of that New York punk sound with all the fancy keyboards because that's what the kids want. And the kids will be happy. Very happy. Happier than a young chap finding a collection of 70s porn under his Dad's wardrobe.

Jane's Addiction

Up From The Catacombs: Best Of (Warners)

It's funny stuff that heroin. Most of us just sit there staring at the walls and letting the cat shit all over the living room – a bit like Tommy in *Trainspotting*. But for some, it's like giving Dennis Rodman a new pair of Reebok Pumps – they just bounce higher. Which was the case with this bunch of deviants, producing some class A Los Angeles rock, and for Dave Navarro, ending up in the knickers of Carmen Electra. Coming to think of it, Rodman himself was sniffing around there, too – back in the day.

Don's Mobile Barbers

Boom Times (Sorted Records/Cordelia Records)

Unlike certain members of Jane's Addiction, DMB will probably never use heroin nor will they shag members of *Baywatch*. Instead, they make lovely little Casio-fuelled pop songs in the vein of Moldy Peaches and Grandaddy, but with a Leicestershire flavour. Ideal for fellas who want to lure lovely young ladies into their bedrooms. For filthy sex sessions.

MARTINI SHAGS IN CHURCHYARD

Last year, Tokyo Dragons went Rockin' All Over The UK with your Dad's favourites, Status Quo. Not many people can say that, and not many people have shagged in a churchyard. Gentleman, please stop wanking... here is the drummer, Phil Martini.

Was the 'Quo tour full of drugs, shagging, and denim skirts?

Yeah. Lots of visits to the pharmacy for whatever people needed to get through the winter tours. There was lots of tight denim squeezed over the extra layers! We saw many dedicated fans gyrating against one another in the mosh pit simply to keep warm and stop those chilly winds blowing up where the sun don't shine.

Sounds mental. What is your all time favourite piece of internet wanking material?

We're more your traditional men who are the connoisseurs of the good ol' jazz mag! There's nothing more satisfying than thumbing through nice glossy pages. We find the articles very stimulating so the internet leaves us feeling slightly cold and flaccid.

Have you ever been caught carving one out at the wrist?

No, but during high school days, the brother of an unfortunate friend told the whole school the story of him being caught masturbating by his mother. He was the talk of the town for the rest of his adolescence.

Brotherly love! Have you ever knocked the fuck out of someone?

A few days after Christmas I got asked to judge a Battle of the Bands contest. You know, some kind of talent show, and as I had nothing to do and they said I'd get free booze, I said I'd do it. So I went there, watched a few of the bands, had a few drinks, and then all of a sudden a lit cigarette landed on my neck. So I turned around and there's this group of skins staring at me. I thought to myself, "Don't be hasty, might have been an accident," but a couple of minutes later the same thing happens again. So I walked over to them to find out what their problem was but none of them stood up for it so I said, "Listen, cut out this crap or somebody might get hurt." Next thing I'm getting hit in the back by a full glass of beer. I was already fuming so I grabbed one of them by the collar and chinned him. In the following ten seconds this massive fight broke out with me right in the middle of it. After a few minutes one of the officials dragged me out and told me to leave. I'm like, "No, you don't understand. I'm one of the judges!" But he just said, "Get out or I'll call the cops." So I left cursing everyone. Pretty bizarre night out. Good laugh though.

Doesn't sound like it! Other than that, have you ever been a victim of crime?

I moved to the East End and my old banger of a car got instantly broken into. I thought fuck it as there was nothing to steal but then the following week the bastards went the whole hog and stole the car! I went to the police to report it and although they were very helpful, they found it very funny that my car was so shit. All the old jokes came out. "Lucky you didn't put any petrol in it otherwise you would have doubled the price of the motor!" "Did it have an alarm fitted, ha ha ha!" etc etc. Anyway, the car was eventually found smashed to pieces by Victoria Park, the fuckers even nicked the car battery! Oh well, at least the insurance company gave me a full £87 pounds for the car! That definitely makes me a victim of crime!

What a complete bunch of cunts! Where is the funniest place you've ever had sex?

In a churchyard. We didn't think we could be seen but after the romp we found out that we could clearly be viewed from the road and there was some dude watching us. Oh well, it was a great shag and when the mood takes ya, you've got to go with the flow!

What a total deviant! Cheers Phil, and keep on shaggin'. ♣

THE JOKE'S ON YOU!

" …98…99…100 coming ready or not. "

DAIRY DUNCE

A blonde heard that milk baths would make her beautiful, so she left a note for her milkman to leave 30 pints of milk. When the milkman read the note, he felt there must be a mistake. He thought she probably meant 3 pints so he knocked on the door to clarify the point.

The blonde came to the door and the milkman said, "I found your note to leave 30 pints of milk. Did you mean 3 pints?"

The blonde said, "I want 30 pints of milk. I'm going to fill my bath up with milk and take a milk bath".

The milkman asked, "Do you want it pasteurised?"

The blonde said, "No, just up to my tits. I can splash it in my eyes."

STATS LIFE

For years, two heroic statues, one male and one female, faced each other in a city park, until one day an angel came down from heaven.

"You've been such exemplary statues," he announced to them, "I'm going to give you a special gift. I'm going to bring you both to life for thirty minutes, in which you can do anything you want."

And with a clap of his hands, the angel brought the statues to life. The two approached each other a bit shyly, but soon dashed for the bushes, from which shortly emerged a good deal of giggling, laughter, and shaking of branches. Fifteen minutes later, the two statues emerged from the bushes, wide grins on their faces.

"You still have fifteen more minutes," said the angel, winking at them.

Grinning even more widely the female statue turned to the male statue and said, "Great! This time you can hold the pigeon down and I'll shit on it's head."

Q. Why do women love a circumcised penis?
A. Because they can't resist 10% off.

IT'S A STICKY-UP!

A man wearing a mask bursts into a sperm bank with a shotgun.

"Open the safe!" he yells at the girl behind the counter.

"But we're not a real bank," replies the girl. "We don't hold money!"

"Don't argue just open the safe or I'll blow your head off!"

She obliges and opens the safe door.

"Take one of the bottles and drink it!"

"But it's full of sperm" the girl replies nervously.

"Don't argue, just drink it," he says.

So she pries off the cap and gulps it down.

"Take out another one and drink it too!" he demands.

The girl drinks another one. Suddenly the guy pulls off the mask and to the girl's amazement it's her husband…

"See, not that difficult, is it?" he says.

BLOOD BOTHERS

A vampire bat came flapping in from the night covered in fresh blood and parked himself on the roof of the cave to get some sleep. Pretty soon all the other bats smelled the blood and began hassling him about where he got it. He told them to go away and let him get some sleep but they persisted until he gave in.

"OK, follow me," he said and flew out of the cave with hundreds of bats behind him.

Down through the valley they went, across a river and into a forest full of trees. Finally he slowed down and all the other bats excitedly milled around him.

"Now, do you see that tree over there?" he asked.

"Yes, yes, yes!" the bats all screamed in a frenzy.

"Good" said the bat, "Because I didn't!"

WIPE SWIPE

A woman says she wants to have plastic surgery to enlarge her breasts. Her husband tells her, "You don't need surgery to do that. I know how to do it."

The lady asks, "Really, how do I do it without surgery?"

"Just rub toilet paper between them."

Startled, the lady asks, "How does that make them bigger?"

"I don't know, but it worked for your arse."

PRIZE JOKE!

THE BIG TIP

A couple took their young son to the circus and when the elephants appeared, the boy seemed very intrigued by them.

"Mummy, what's that long thing on the elephant?" he asked.

"That's the elephant's trunk, dear," she replied.

"No, not that. What's that long thing that's hanging between the elephant's legs?" Asked the boy.

Feeling rather embarrassed, the mother replied, "Oh, it's nothing, son."

She then left to get refreshments. While she was gone, the young boy turned to his father and asked, "Daddy, what's that long thing hanging between the elephant's legs?"

"That's the elephant's penis, son," explained the father.

"Well, why did mummy say it was nothing when I asked her?" The boy asked.

Taking a very deep breath, the father smiled and proudly replied, "I've spoiled that woman, son!"

PERFECT TEN!

Sandy really has given us ten of the best. Years, that is.

PHOTOS: DARREN M^cCORMACK

Is it just us or does it seem like one of our favourite foxy babes Sandy has been doing what she does best for us for years? We were convinced she'd been at it for at least a decade now and a quick trawl through the archives soon confirmed it all. Sandy was knocking about in *Club* way back in 1996 when the majority of the current editorial staff were still in short trousers, but line them all up now and guess which one doesn't appear to have aged? That's right, Sandy looks just as good now as she did in Volume 25, which begs the question, what's her secret to staying young?

"Given the business I work in, I would have thought the answer was obvious," Sandy suggested. "I put it down to having plenty of sex. I'm fortunate enough to work with a lot of stamina-laden studs and fit young babes who put me through my paces on a daily basis. When it comes to playtime, it's exactly the same. And if I'm being honest I'm sure a frequent face load of the white stuff has its benefits!"

If that's scientifically proven it'll come as relief to a lot of frustrated husbands! ♣

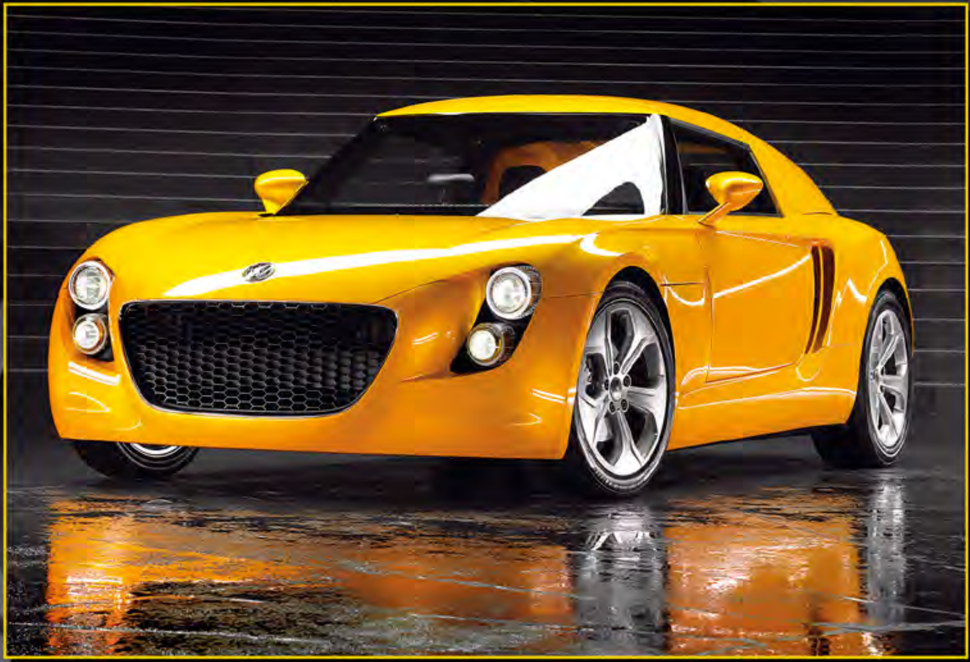
AN ICE-CAP FRIENDLY COUPE? WHAT SORT OF MADNESS IS THIS?!



Small is rarely beautiful. If you had a choice between a tiny blueberry muffin and a big eclair, there would only ever be one winner. Similarly, green is nobody's favourite colour, as it conjures up images of horrid snot-nosed children, mouldy cheese and hopeless goalies. So a combination of the two is a sure-fire loser, right?

Well not if you're VW. The German giant looks to have created motoring perfection by mixing these unlikely bedfellows – and in so doing, shot another contradiction in the back of head and pushed it into a mass grave. Yes, the small, green new EcoRacer manages to blend genuine performance with incredible economy. This is a car that can sprint from 0-62mph in just over six seconds and hit a top speed in excess of 140mph – yet at the same time, return a penny-pinching 83mpg.

It's the most incredible partnership since a young Martin Luther King went halves on a bag of chips with the local Ku Klux Klan chief – but it works, and it's sending shockwaves through the car industry.

When the wraps were taken off the newcomer at the Tokyo Motor Show late last year, the assembled crowd gasped at its racy styling. What strikes you first about the EcoRacer is what a departure it is for VW. While new models from the firm have got progressively bigger over the past decade or so, this machine is incredibly compact. It measures only 3.7 metres long, with minimal overhangs front and rear. Then again, it's 1.74 metres side to side and has a wide track, giving a purposeful look.

There's no corporate nose here; rather, wild, vertically stacked LED twin headlamps sit either side of a unique grille. 17-inch alloys fill the wheelarches, air vents on the flanks hint at the sporty layout and the wings have a muscular contour to them.

Fiddle about with the roof and this car will turn even more heads. Although the EcoRacer is a coupe first and foremost, it can be transformed into a roadster and even a speedster if you so desire. It's not enough that the hard-top wing swings up when you open one of the front doors, enhancing cabin access. The entire T-bar lid is removable, and the rear hatch can be taken off, too. And those who laugh at the idea of having wasps hit the whites of their eyes at 70mph will love the fact that the windscreen can be replaced by a short, upright pane of glass for the ultimate in open-air motoring.

Yet what's amazing is that the newcomer's dramatic styling, in whatever guise, has been crafted from carbon fibre. At the base of the car is a polycoque constructed from carbon fibre-reinforced plastic (CFP). Not only does this provide significant advantages when it comes to keeping the weight down, the material is also recyclable, as well as totally rust-proof. Greenpeace would certainly approve.

The lightweight body only half explains the EcoRacer's Jekyll and Hyde nature, though – as the new 1.5-litre TDI diesel engine has a major part to play, too. While capacity is king for most modern oil-burners, VW says downsizing is the future. Bosses claim the unit offers its greatest agility at its lowest consumption, and the figures bear this out. The 1.5-litre four-cylinder develops 134bhp at 4,000rpm, and 250Nm of torque between 1,900rpm and 3,750rpm – mighty impressive for a motor of this capacity.

When you hear that it's mated to the super-slick DSG double-clutch sequential manual transmission – which effectively gets the next ratio ready for you before you even select it – the TDI's performance will come as no surprise.

VW hasn't got completely lost in technology and figures, however; on the road, the EcoRacer is actually a very nimble sports car. German manufacturers are obsessed with 'benchmarking', and the obsessives in Wolfsburg had the Lotus Elise firmly in their sights when creating this little wonder. They took the essentials of a compact sports car, complete with the near-perfect weight balance of the mid-engined layout, and blended them with suspension components from the MkV Golf. As a result, it never feels anything but sharp and precise in corners, with direct and communicative steering. A supportive leather bucket seat for the driver enhances this appeal, and the cabin gives the impression of a stripped-out track day machine. Ingeniously, all the essential instruments are incorporate in a single multifunction display which is integrated in the steering column – and no matter how you adjust the wheel, everything is perfectly visible. The rest of the cabin has a minimal feel, although it's not short on toys, with everything from keyless entry and ignition to an iPod interface.

Sadly, it's not clear exactly when the car will make it to our showrooms, if at all – but many of the features it showcases are set for production in the coming months. Of course, it's ironic that a machine with such green credentials should come from the manufacturer that created the glacier-melting W12 engines found in the Audi A8 and Bentley Continental, but VW still deserves credit. This little wonder is sure to make a big impression on the industry and punters alike. Looks like it'll soon be small chocolate muffins all round. ♣

FLAMIN' BEAUTY

Sarah adds a touch of class to any occasion...

PHOTOS: HOLLY RANDALL

As you should well know by now, here at *Club International* we like classy girls. Admittedly, we like girls of any kind if they're willing to strut their stuff for us, but they earn extra points with us if they do it with a touch of elegance. So that probably explains why we're so besotted with Sarah. She conducts herself in a similar way to how she looks, at least that's what we originally thought...

"I don't know why you had me down as the prim and proper type," the flame haired beauty told us. "Believe me, I can be as filthy as the next girl."

Really? Care to elaborate?

"I've got a reputation for outrageous behaviour at parties. One minute I'll be standing there, chatting politely and then the next I'll be hitching up my skirt to prove I'm not wearing any knickers or flashing my tits at a bunch of lads. I even got thrown out of a famous nightclub for giving a guy a blow-job on the middle of the dancefloor. I looked a right mess arguing with the bouncers with a mouthful of freshly strained seed!"

Now that's exactly the kind of class we're talking about! ♣

PERSONAL DETAILS

NAME: Shelley
AGE: 23
VITAL STATISTICS: 32-24-34
WHAT'S SHE LIKE? These pictures don't do her justice – she's much filthier!

WHY DID YOU WANT TO BE IN CLUB?
Because I think I look pretty damn sexy with my clothes off and I thought I'd see what others thought!

WHAT'S THE FILTHIEST SEX YOU'VE EVER HAD?
A threesome with my best mate and her boyfriend. I thought they were joking when they asked me to join them but apparently they'd both been fantasising about it for ages. They looked very happy taking turns at feasting on my pussy.

WHAT'S YOUR NAUGHTIEST FANTASY?
I'd love to be the centre of attention in an orgy. I've never had more than one cock at a time but I'd really like to get to grips with three or four. I'd like to know how much sperm four guys could squirt all over me in one go.

DO YOU SPIT OR SWALLOW?
Ever since my very first boyfriend made me suck his dick until he came in my mouth I've always been a swallower. I don't think I've ever wasted a single drop. Every sperm is sacred, and all that!

EVER USE SEX TOYS?
Yep, I've got one vibrator that goes everywhere with me. And I mean everywhere!

ANY MESSAGE FOR OUR READERS?
I'd just like to know what they all think of me with my clothes off, should I do it again? ♣

DVD

Dear Celeste

(Suze Randall) ★★★

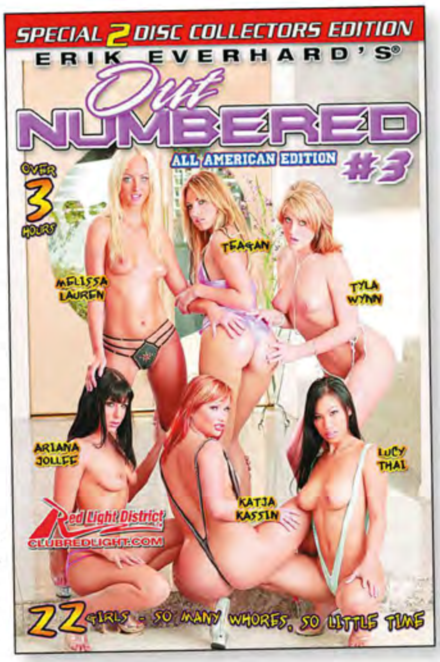
Another classy offering from the Suze Randall stable, this stars 19 year old cutie Celeste Star as the editor of a mucky mag's letters section. The work doesn't look much like anything we'd recognise, but it does, crucially, provide plentiful opportunities to cut away to some very nicely shot scenes. Celeste's actual involvement amounts to little more than narrator and one lezzer scene with the fabulous Jenna Haze, but on top of that we're treated to Monica Mayhem, Tiffany Taylor and a few others taking some very eye-pleasing dickings – with plenty of A2M for Katsumi, which is a bit on the mucky side for this sort of thing!

DVD

Outnumbered 3

(Red Light District) ★★★★

Only three scenes here, but before you start to worry about feeling short-changed, let us point out that these three scenes feature no fewer than 23 juiced up strumpets being seen to by a trio (or so) of extremely happy stuntcocks. That's right - what we have here is three orgy-style scenes, with girls of the quality of Teagan Presley, Melissa Lauren, Brit Roxy Jezel and Euro-slut Rita Faltoyano sampling cock, quim and strap-on all over the place. Loads of anals, DPs and the like make this 3 hours of extremely satisfactory smut indeed – and there's a bonus disc too with loads of other stuff on.



DVD

Spread 'Em Wide 3

(Platinum X) ★★★

Good advice for any fresh-faced starlet eager to make a name for herself in the porno biz, and advice taken readily on board by the 5 flampers on display in the flick itself. Kicking off with the rather Arabic looking Jasmine Byrne, this turns out to be a no-nonsense gonzo feature, in which our heroines are mostly put through their paces by a solitary swordsman, with plenty of anal along the way. The one exception is in the last scene, where covergirl and Jodie Marsh lookalike (bar that curious nose) Keri Sable gets a very thorough DPing. Nothing revolutionary, but solid enough fare nonetheless, and quite rude in places.

Lord Of War

(Momentum) ★★★

Ace slickster Nicolas Cage needs to be at his very slickest in this tale of Yuri Orlov, an international arms dealer who, whilst keeping various dodgy regimes and insurgencies well equipped, is beset by problems. These include Interplod, in the guise of Ethan Hawke, rival dealer Ian Holm, and a warmongering African leader. On top of that, Yuri's conscience is starting to get the better of him. While this is a sharp piece of filmmaking, Lord of War wears its social message fairly squarely on its sleeve and is, perhaps, a little too Hollywood to quite pull it all off.

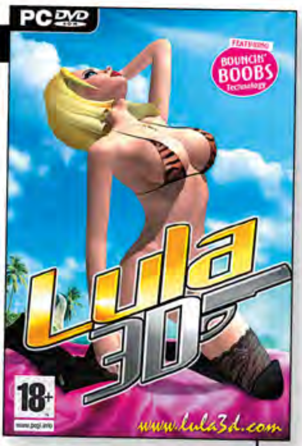
DVD BOXSET

Peter Sellers Collection

(Sony) ★★★★★

Peter Sellers was perhaps the finest comic actor this country has ever produced, and the films on display in this selection showcase his versatility admirably. Top billing has to go to Kubrick's cold war farce *Dr. Strangelove*, in which Sellers shines in three roles. Also right up there is *The Party*, in which he stars as a hapless Indian actor who sets about wrecking the post production party. It's not very PC, but it's still a classic. That leaves 60's groovathon *What's New Pussycat* and the altogether quainter *The Mouse That Roared*. Quality.

GAME



Lula 3D (CDV) ★★★

This isn't the first pouting for pneumatic Lula, but it surely the biggest and best so far – thanks to "Bouncing Boobs Technology"! If you reckon PCs are best employed engaging in 3D erotic action adventures, you're in luck, because this game, in which Jordan-esque ('Jordanian'?) Lula sets about rescuing three of her kidnapped (and equally stacked) chums will be right up your alley. It's pretty saucy for this sort of thing (hence the 18 certificate), and it really does look pretty smart, so if you really fancy some CGI'd bosoms bouncing up and down on your desktop, this is the baby for you!

DVD

Into The Blue

(Sony) ★★★

Hmm, which came first, the thought of making a film that involves Jessica Alba wearing a bikini for much of the time, or the actual script? Answer, neither – the reviewer did. OK, maybe not quite, but this is certainly an eye-pleaser, with Jessica, *The Fast And The Furious*'s Paul Walker and *Ocean's Eleven*'s Scott Caan getting embroiled in a treasure hunting thriller set amid the shark infested waters of the Bahamas. If you liked *The Deep*, or *The Big Blue*, or just fancy seeing Jessica in not too much, then this film will pass a couple of hours or so well enough.

Broken Flowers

(Momentum) ★★★★

Following the huge success of *Lost In Translation*, Bill Murray's back, deadpanning his way through another underplayed performance. This time he plays an ageing Don Juan (called Don!) who is forced to confront his past when a letter turns up informing him that he's got a 19 year old son. Spurred on by his neighbour, Don sets off to track him down, crossing swords with old flames Sharon Stone, Tilda swinton and Jessica Lange along the way. It sounds innocuous, but some good performances make this a lot better than it sounds...

(Universal/Sony Pictures) ★★★★

Over the years a select band of directors have really made their mark on the silver screen, and these boxes from Universal/Sony bring together some of the best loved films from some of the top dogs. This month sees the release of the Ridley Scott collection, featuring (of course!) the 2000 blockbuster *Gladiator*, the film which more than any other popularised the DVD format. Other films in the collection are 2002's *Black Hawk Down*, starring Ewan McGregor and Josh Hartnett, baldie Demi Moore fest *GI Jane*, anthropophagous sequel *Hannibal*, and 1987's *Someone To Watch Over Me*, with Tom Berenger. Also released this month is the Roman Polanski collection, which contains multiple Oscar winners *Tess* (with the gorgeous Natassja Kinski) and *The Pianist*, along with a particularly visceral *Macbeth*, psychological thriller *The Ninth Gate*, and the classy *Bitter Moon*. All in all, some quality cinema action to add to your collection.

PARTY PIECE

I've always been quite daring when it comes to sex. I'm not one of these girls who will turn her nose up at trying out new things, and more often than not I've found that the rewards have been great. For example, I was always a bit cautious about trying anal but once I'd done it and realised I enjoyed it so much I never looked back. The only thing I wasn't prepared to do was have sex with another girl, but sure enough, when the situation arose recently my daring side took over…

I'd been invited to one of these sex toys parties by a colleague at work, Shirley. I didn't really know her that well and felt I'd been invited just to make up the numbers but being a game girl I went along with an open mind. And the hope of buying a new vibrator since my current one was on its last legs due to over use.

I turned up at Shirley's house and was ushered into the lounge to meet her friends. They were all a bit older than me, in their late thirties, but were very welcoming and seemed up for a laugh. Then when everybody was present a woman called Sue started running through the various items for sale. As befits these parties, volunteers were invited to try things on and even try things out. Shirley began by getting herself dolled up in a French maid's outfit complete with fishnet stockings and I have to admit she had a great figure for it. She did a few twirls and then bent over and her arse looked so inviting. All the other guests were admiring her and it was at that point I noticed some of them even gave her arse a feel as she walked by.

As other guests started trying other kinky outfits on, I soon realised how comfortable with each other they all seemed to be. Innocent pats on the bum became sensual strokes and then Shirley and Sue started tonguing each other right in front of me. The funny thing is I didn't feel uncomfortable with what was going on around me, so when another woman, Elaine, put her hand on my knee I wasn't shocked.

"Shirley said you'd be up for this," Elaine whispered as she leaned close to kiss me on the cheek. At that point reality hit me. A woman was about to kiss me and I'd never done anything like this before. I thought about it for a few seconds, then my daring side took over and I leaned in for the kiss.

When our lips met it was like an electric charge surging through me. I forced my tongue into Elaine's mouth and she did the same and for the next few minutes we were entwined in a fervent embrace. Then Elaine began to run her hands over my body, tugging at my clothes and urging me to do the same with her. I slipped my hand underneath her top and squeezed at her ample boobs though her bra. She purred with excitement and ran her hands over the crotch of my jeans before unzipping them.

> **"I soon found her lips, parted them and guided my tongue towards her bud"**

Pretty soon my jeans had been pulled down to around my ankles and Elaine was rubbing my mound through my lacy knickers. I widened my legs to make it easier for her as she pulled my knickers to the side and stroked my pussy lips.

"I like a shaven pussy," she remarked as her fingers teased my clean-shaven snatch. Then she sank a lone finger into my hole. I was nice and wet and Elaine loved this. She teased my hole with her finger and then added another one, which really got me going.

Elaine had taken full control and as much as I wanted to search out her pussy and pleasure it, she didn't give me the chance. She lowered her head between my legs and tucked in on my moist snatch. It felt fantastic and pleased me in ways no guys had ever been capable of. I groaned with every tongue stroke and I'm not ashamed to say that I came within minutes.

My first orgasm delivered a stream of juices for Elaine to lap up, which she did with greater ferocity, causing me to orgasm several more times, with each one rising in intensity. By the fifth orgasm I was wailing at the top of my head and had to beg Elaine for a break. She pulled her head away, stood up and undressed right in front of me. Then she sat herself on the sofa next to me with her legs spread and said, "how about going down on me?"

I gladly took up the offer and buried my face in Elaine's pussy. It was unkempt but with a bit of searching I soon found her lips, parted them and guided my tongue towards her bud. Flicking it with my tongue caused Elaine to shiver and groan and she grabbed hold of my head and pulled it closer while forcing her crotch against me. I lapped at her faster and then suddenly her legs clamped around my head and her body began to buck violently as I was obviously bringing her to a climax.

Making Elaine orgasm seemed a lot easier and pretty soon she was gasping for air and asking me to go easy. Talk about beginner's luck! As I lay entwined with Elaine she stroked my hair, telling me how good I was. I didn't have the heart to tell her it was my first time, not that it would have made much difference as she had more in store for me.

"Hey girls," Elaine announced to the rest of the room who were in varying states of intercourse with each other, "you really want to try a bit of this one…"

I was in for a long night! – *Alexis, Chichester*

PRIM QUIM

I'd been dying to have sex with my new girlfriend for weeks before it actually happened, but it was worth the wait. I was on the rebound from a failed long-term relationship when we met, but when I first set eyes on Erika my jaw nearly hit the floor: She was simply stunning.

We got on famously, but after we'd been out on about five dates I was beginning to wonder if she was ever going to let me fuck her. She was a bit prim, to be honest, and I must admit I usually find primness off-putting, but Erika was so perfect in every other way that I was determined to bide my time. I knew it would happen sooner or later, and I was desperate to see her in the nude; even with her clothes on she was a stunner, with firm, medium-sized breasts, a peachy bum and long auburn hair.

We'd been out to a restaurant one evening and had gone back to her flat for coffee when opportunity knocked. It was the first time I'd been back to hers, and there was something in her demeanour that evening that told me that that night was going to be the first time for other things too.

We were sitting side by side on the sofa, relaxing and making small talk, but I'd got a head full of sex and Erika sensed it. She played along with the conversation as best she could, but she knew my mind was in her knickers already, and for the first time in our relationship I could see that she was willing to go the full distance.

I got up to fetch some more wine from the kitchen, and when I got back, Erika was laying on her tummy, looking up at me with big fuck-me eyes, her skirt riding a little higher than was decent up towards her bum.

Placing the wine down on the coffee table, I knelt beside her and kissed her enthusiastically on the lips. She responded keenly, her tongue slowly but firmly pushing past my lips and into my mouth.

I got the horn in an instant, and I thrust my hand up her skirt, making straight for her arse. Erika groaned as I fumbled clumsily, urgently with her cunt, and her minge gushed all over my hand as I probed her.

"Oh, Neil, I think I'm going to come..." she gasped. I couldn't believe she was so close to the edge so soon, but she was soaking and her breathing was hard and fast.

I yanked her knickers down furiously with short, determined tugs, and I heard the material start to tear. Once they were clear I threw her skirt up over her back to reveal the peachiest arse I'd ever seen in all my life! My cock was throbbing, and despite all the tenderness I really just wanted to mount her and whang it up her there and then.

So I went down on her instead. I flipped her over onto her back, lifted her legs over my shoulders, and buried my face in her dark and clammy clout. I cupped her bum in my hands and lifted it up towards me as I ate her out, my tongue darting ravenously in and out of her dar-

ling little twat. I wanted her to come on my face. It didn't take long. I divided my time between her hole and her clit, and it was barely a minute before she was screaming all manner of nonsense at me, her thighs squeezing me in a headlock as I licked out her minge. When her orgasm finally took hold her love juice was running down my chin and onto the carpet, she came so much. Her cunt just went into overdrive, virtually squirting as one almighty orgasm ripped through her body.

By the time she'd finished coming, my cock was on the move, straining painfully at my pants, urgently needing to be discharged. Erika was a little out of breath after her tongue-lashing, but she still had something in reserve. She made a grab for my packet, and fumbled at my flies, her deft fingers anxious to wrap themselves around my rampantly stonking hard-on.

"Fuck me," she gasped as she freed my member. Pre-cum glistened on my helmet as she began to stroke my cock, and I hastily freed her tits from her top.

I usually try to do something imaginative when I fuck a girl for the first time, but all I could think of was thrusting my cock into Erika and coming deep inside her. Sensing that I was floundering, she took control.

"Lie down," she instructed me. I obeyed.

I watched in awed delight as Erika straddled me, aligning her cunt carefully with my oozing cock. I could see her soaking cunt-lips protruding through matted pubes, and she parted them slightly with her fingers before impaling herself on my pulsating penis.

It fairly took my breath away as I felt my the tip of my schlong connect with her cervix, and her sopping cunt gripped my meat as she began to slide up and down on it, working up to a serious fuck-frenzy.

"Her sopping cunt gripped my meat as she began to slide up and down"

I was determined to last as long as I could, but I knew it wouldn't be long. Erika fucked me with amazing vigour, squealing all the while.

"Jesus, I'm coming!" she screamed, just as I felt the jizm rising in my dick.

She leaned back, and sank down on my cock with a determined thrust as she orgasmed a second time, her cunt ejaculating profusely over my heavily laden bollocks.

I couldn't hold on to my load a moment longer, and I spewed my goo. Erika's cunt-control was the stuff of dreams, milking my cock for every drop of semen in my sack, and I filled her fanny with spunk till it literally overflowed!

I have to say that was the best fuck I've ever had in my life, and I'm hoping this relationship is one that's going to last! – *Neil, Lancaster*

WEDDED BLISS

My husband Anthony and I have just come back from our honeymoon and he has asked me to tell you all about it. He'd really like me to tell you about one night in particular – the night we indulged in a bit of partner swapping with another couple. Long before we were married, Anthony had always expressed an interest in that scene and now that I was officially his wife, it seemed the logical thing to do. So it came as no surprise that the hotel we had booked for our honeymoon was popular among swingers.

The first few nights of marriage we spent between the two of us. The post wedding sex stretched almost 48 hours – we didn't get out of our hotel bed for two days as Anthony fucked me from every position. To be honest I could have done with a week to recover but Anthony was too keen to find another couple to swap with. That didn't take long as one afternoon lazing by the pool was all we needed to strike up conversation with Pete and Alison, who were also just married, but as we later learned, stalwarts on the swinging scene back home. That evening they joined us in the hotel restaurant for a meal and then we all retired to their bedroom for some fun and games.

Pete was in his early thirties and obviously worked out in the gym a lot as he was one muscle bound fucker! Alison must have been ten years his junior and was a typical bottle blonde, but she had an endearing quality in her dizziness and a great body. Anthony couldn't keep his eyes off her and I knew he'd be more than happy to fuck her while I was quite looking forward to seeing what Pete had in offer. As it happened he had a lot in offer. Almost ten inches of thick cock that he presented to me.

"Want some of this?" He asked, holding it firm in his palm. I looked over at my husband, he nodded and with that I dropped to my knees and started to run my tongue over its surface. I traced a line up and down his shaft, around his balls and over his salty tip.

Out of the corner of my eye I could see my husband offering Alison his cock and in one movement she took it to the back of her throat. I returned my concentration to Pete's throbbing

length and proceeded to suck him off with great enthusiasm.

Pete's huge cock filled my mouth and really gave me something to contend with. He seemed to like it best when I teased his helmet with my tongue and wanked his shaft with my hand so that's exactly what I did until he asked me to lay on the bed and spread my legs. I did as he said and watched in awe as he went down on me. Then I felt the tip of his tongue grace my pussy lips and for the next half hour I was treated to a fantastic oral treat.

By the time Pete pulled his head away from my sodden gash I was more than ready to feel his glorious boner inside me. He climbed on top of me, nestled the tip of his cock between my flaps, and pushed. I bit my bottom lip as his prick slid straight in and filled my wanton hole. He was buried to the hilt and started pumping away.

I looked over to see my husband lying on his back with Alison riding him and judging by his groans and facial expressions, he wasn't going to last for much longer. I thought he would just come inside Alison but he had other plans as he lifted her off and came and knelt next to my head on the bed. Then he started to wank himself off until he shot his load all over my face.

Meanwhile, Pete was still ramming his cock into me but Alison had positioned herself behind him and was fondling his balls. Anthony offered me his spent cock and I licked at the stray strands of spunk while taking Pete's length in my pussy. Eventually Pete withdrew as quickly as he had entered me and Alison clamped her mouth around his cock to feast on a mixture of my pussy juices and her husband's fresh seed. What didn't stay in her mouth ended up on my belly but Alison soon lapped it all up before taking me in her arms and snogging me while Pete grabbed his digital camera and started taking some candid shots of us all. That's one part of the wedding photo album we won't be showing to everyone! – *Sarah, Great Yarmouth* ♣

Where you can still leave your backdoor open

LONG HARD GOODBYE

I knew Jake through work, we always got on well and I think both of us felt some sexual chemistry, but I was very aware that if anything happened between us I could lose my job, as I was his manager. We occasionally saw each other out of work but I always tried to keep my distance, which was hard as he was so sexy and often featured in my favourite sexual fantasies when I got myself off.

When he handed in his notice I tried to hide my disappointment (I'd miss the eye candy at work) but I was pleased to hear he was having a leaving do, at last I had the chance to make my dream a reality. The night of Jake's leaving party came round quickly. As we drank and talked in the club, I could tell he fancied me, I kept on catching him looking me up and down. The trouble was every time we got chatting we got interrupted, after all Jake was a popular guy. I needed to get him alone; I couldn't stop thinking about how good it would feel to hold his stiff dick in my hand. The thought of him shooting his load over my tits got me so horny, I knew I had to have him.

Finally I had a chance to make my move. We were dancing close and Jake began to move his hands over my arse. He pulled my crotch close to his as we moved to the music in the busy club. When I could feel his hard-on though his jeans I couldn't bear it any longer. I grabbed him by his belt buckle and lead him into the lady's toilets with one thing in mind.

Once through the door I pushed him into a stall, he looked a little surprised at my forcefulness but soon took the lead kissing my hard and holding me against the cubical wall. As we kissed I easily undid his fly with one hand and released his solid cock. Jake's hand slipped up my neck and into my hair, he pulled his lips away from mine and gently pushed my head down in the direction of his manhood, I dropped to my knees and licked his throbbing cock as I looked up into his sexy eyes.

I sucked on his helmet as he reached down my top and fondled my boobs, pinching my nipples and sending a rush of sensation straight to my clit. Forgetting where we were for a moment he let out a grown of pleasure. I got back to my feet and whispered into his ear, "come back to my place and fuck me, Jake!"

He didn't take much persuading. We snuck out of the toilet and headed outside to catch a cab home. Once back at my place we wasted no time. Only a second after I closed the front door, Jake was kissing me passionately and pushing his knee between mine, spreading my legs enough for him to run his fingers up the inside of my thigh and cup my mound in his hand. I knew he could feel I was already wet through my panties and ready to take him inside me.

We stumbled upstairs and into the bedroom. He lay on his back on the bed and watched me drop my skirt to the floor and throw off my top, leaving me standing in a hot pink thong and bra.

I approached the bed and straddled Jake; he grasped my arse as I rubbed myself on his groin. I stripped him naked quickly eager to feel his cock part my moist lips. Jake slid his hand down my knickers and rubbed gentle circles around my clit, making me gasp and sigh. He pulled my thong to one side and teased me with the smooth head of his cock, gliding it up and down my wet slit but refusing to enter me more than an inch.

I could no longer bear the torment; I'd waited so long for this moment and moaned as pushed my wet cunt down on to his throbbing cock. He filled my tight pussy completely and I squeezed his shaft in appreciation. Jake let out a groan as he began to thrust his crotch up and down. I rode him while he stripped me of my bra and began caressing my naked tits. He sucked and gently nibbled on my hard nipples making me moan in delight.

Jake then lay back and watched my firm tits bounce as I pounded his dick faster. I couldn't help playing with my clit as we fucked harder and harder and suddenly I reached a powerful climax, cumming so hard I cried out in pleasure and soaked Jake with my warm pussy juices.

I remained sat astride him, his cock, still hard, deep in my cunt. He grinned at me, looking ever so devilish.

"Have you ever been fucked in the arse before?" Jake asked me. I nodded in response smiling back at him.

"Did you enjoy it?" he quizzed. I nodded again knowing what was coming next. I climbed off Jake's lap, slipped off my thong and bent over on all fours. He knelt behind me wetting the head of his cock with my pussy juice. I felt his prick push against my arsehole, as I pushed back his cock slipped easily inside my behind, and we both groaned with pleasure. I shuddered with excitement as Jake pumped his shaft in and out of my rear.

Just as I considered rubbing myself off I felt Jake's hand between my thighs. He rubbed my clit with his palm while fingering my pussy. Together we moaned with delight. My cunt throbbed as Jake thrust his cock deeper into my arse. Suddenly my knees weakened and my pussy tightened. As I came Jake pulled his dick out of me and sprayed my arse cheeks with sticky cum. I caught my breath and felt warm juices running down my thigh.

Both exhausted we lay together for a while, but Jake had to leave. I called him a taxi and kissed him goodbye on the doorstep. I haven't seen him since that night but to this day he still remains my favourite fantasy. – *Laura, Cardiff*

ILL BEHAVIOUR

The nature of my job forces me to spend lengthy periods away from home, which can stretch for several weeks on end. Needless to say, any opportunity that I do get to spend time away from work is usually spent in bed, satisfying my horny wife with my stiff cock. Being away from each other has improved our sex life tenfold and as a result has caused us to experiment more when we get together.

One weekend, after almost a month apart, my wife arranged to collect me at the airport upon the arrival of my flight. Sure enough, as I got off the plane, there she was; looking well turned out in a long black coat, which I thought was covering her business suit, which she had been wearing to work. Thinking nothing more I walked with her to the car in order to make the drive home.

"How's my patient?" She asked as we closed the doors.

"What do you mean?" I replied in confusion.

"How's my patient?" She said again, this time opening her coat to reveal a tight white nurse's outfit that was zipped down just enough to reveal her cleavage, struggling to be kept in by a lacy black see-through bra.

"My patient is a very naughty boy who is going to be punished by his filthy nurse," she explained as she grabbed my now bulging crotch. I simply couldn't wait and as we drove home, I parted her stocking clad legs, pulled her panties to the side, and placed my fingers in her soaking wet pussy, causing her to moan with pleasure – and almost crash the car!

On arrival at the house, my wife escorted me to the bedroom, pushing me onto the bed, ordering me to undress.

"Hold your arms above your head you naughty boy," she said assertively, as she clamped a pair of leather bondage cuffs to my wrists. "Now you can't get free, I am going to abuse this nice thick cock, and you had better make me come or I shall report you to the doctor!"

I almost exploded there and then, it was clear that she was absolutely gagging for a good hard fuck. I couldn't believe how horny she actually was and got very excited when she spread her legs over my face, revealing her now very damp black panties that she was wearing over her suspender belt and stockings. Getting to work on my rigid cock in the 69 position, my wife gulped on my shaft as if it were an iced lolly.

"Pull your knickers back, I want to eat your pussy," I said, tensing up with every firm lick of my rod. As I dined on her glistening wet pussy lips, she tugged hard at my cock, gently stroking my swollen balls.

"Oh baby...baby...please baby," she cried as she began to climax. As she did, she dug her black stiletto heels into the side of my body, with increasing force as her orgasm got more intense.

Eager for more, she pulled her knickers off, and lowered her dripping wet pussy onto my stiff cock. It felt as if all my Christmases and birthdays had came at once, as she rode my pulsating member like her life depended on it. As she bounced up and down on what could only be compared to a solid iron bar, my naughty nurse ripped open her tight outfit and threw it to the floor. Turning round to face me as she fucked my cock, she pulled down her skimpy bra to reveal her gorgeous breasts.

"Suck them," she ordered, lowering them into my mouth. I could only dutifully oblige, as I flicked my tongue off her fully erect nipples.

As I thrust deeper and deeper into her pussy, my naughty nurse screamed with further pleasure as she came for the second time. Her hands cupped her breasts as she tilted her head towards the ceiling, eyes closed, panting deeply.

> **"I did as I was told, pushing my raging hard-on into my wife's tight brown hole"**

"I have taken advantage of my poor patient," she said, unlocking my cuffs. "Fuck me hard up the arse; punish your naughty nurse with your hard cock!"

So as a good patient, I did as I was told, pushing my raging hard-on into my wife's tight brown hole, pulling on her suspender belt as I fucked her doggy style.

"Are you going to come for me baby," she teased as I groped her breasts, pounding deeper and deeper as my balls slapped off her round arse cheeks.

"Yeah, fuck yeah, I'm going to come so hard, you filthy slut!" However before I could, she pulled away, turning round to give my cock one last suck.

"I want your creamy cum baby," she demanded, before placing her mouth around my shaft once more, then yanking it hard as she anticipated the eruption. And erupt it did with what was masses of white-hot spunk.

"Mmmm, yummy,' she groaned, licking her lips as she spread the sticky dripping mess into her tits. "Does my patient feel better now?"

Well, what a silly question! – *Jamie, Glasgow* ♣

PHOTOS: VLT

Recently I've been having some very dirty dreams. I can't for the life of me work out what is causing them, it's not like I go unfulfilled sexually. I'm thinking they might be some weird kind of premonition, teasing me with a taste of what I've got to come. At least I certainly hope so, as I'm sure you'll agree when I tell you about the dream…

It starts off with me on holiday. I've gone by myself to somewhere hot, just to rest for a few days and top up my tan. Anyway, I'm lounging by the pool and I get talking to a married couple. The woman is a bit older than me but she's in good shape and has got a really massive pair of tits. Her husband is well-built and I keep catching him eyeing up my body.

"We get into the 69 position and bring each other to orgasm with some muff munching"

Later on I find myself in bed with just the woman. She tells me she's never done it with another woman before but pleads me to show her how it's done. I oblige, making the most of her large firm breasts and a neatly shaven pussy. We get into the 69 position and bring each other to orgasm with some muff munching. For an absolute beginner she's not too bad at it…

Then from out of nowhere her husband appears. At first he's really angry with his wife but then I calm the situation by offering to please them both. So then the guy starts fucking me while his wife sits on my face. They're kissing each other as my pussy gets rammed and I lick out the woman. From there it all gets a bit hazy and I wake up with a warm wet feeling between my legs and I have to make do with taking matters into my own hands. Well, until my dreams come true! ♣

A MARCE A DAY...

... helps you work, rest and play. And this one isn't fattening.

PHOTOS: VLT

Judging by the excessive amount of scare stories appearing in the newspapers and on TV, everyone's getting fatter and the long-term consequences of a chubby nation don't look good. It's reckoned that increasing obesity rates are putting an unnecessary strain on the health service, so it's time to act. And Marcie's got the ideal solution...

"I always thought the obvious answer to battling obesity would be to encourage more sex. We're always hearing about how sexual intercourse burns so many calories, so why don't the NHS prescribe a 'shag a day' to overweight patients? Just think, this country could fuck its way back to fitness. I'm sure if most warm-blooded males were given the choice they'd much rather have a rampant sex session encompassing an oral warm up and various positions, than a large doner kebab with lashings of chilli sauce."

Umm, could we have both? ♣
